Clark, Deputy Chief Engineer (Facilities Design) <u>05/25/00</u> Date 	

Effective Date. The materials attached to this Engineering Bulletin (EB) are effective with projects submitted for the letting of November 2, 2000.

Administrative. This EB transmits the titled Standard Sheet and surveyor certification forms as stated in EI00-012. The attached Standard Sheet will be incorporated into the list of NYSDOT Standard Sheets and the surveyor certification forms into a future version of the Construction Inspection Manual.

Background. Main Office Construction will issue Construction Inspection Manual Section 625 Surveyor's Certifications separately. The surveyor certification forms will be issued, in the near future, as Exhibits to new Section 625.00 of the Construction Inspection Manual. The new surveyor certification forms are required as a Contractor's submission under the ROW or Permanent Survey Markers items of the new Section 625 Specs issued by EI00-012. The new spec requires the completed forms be forwarded by the Engineer to the Regional Land Surveyor for approval.

Contact. Chuck Torre, Design Quality Assurance Bureau, 485-5632 and Dan Streett, Design Services Bureau at (518) 485-8227.
