Distribution: 30 Main Office 32 Regions 34 Special	SUBJECT: STANDARD SHEETS REFERENCE IN CONTRACT DOCUMENTS Subject Code: 7.26-2-21
APPROVED:  <hr/> J. R. LAMBERT, Deputy Chief Engr. (Fac. Design Div.)	Code: EI 91-25 Date: 10-22-91 Supersedes: EI 91-15

EI 91-15, which was to be effective with the January 9, 1992 letting, is hereby superseded, and the Department will continue to list standard sheets on construction plan title sheets. Standard sheets applicable to construction contracts will continue to be listed on the plan title sheet by the Design Quality Assurance Bureau.

The designer will continue to be responsible for providing a complete, accurate list on the estimate title sheet (HDM Figure 21-H) with the PS&E submission.

This list must be revised on the as-built contract plans by the EIC to reflect corrections and/or standard sheets added by amendment or order-on-contract work.
