Effective November 16, 1994, section 21.7 Report on Design and Estimate of Chapter 21 is rescinded.

The Report on Design and Estimate is being eliminated based on the recommendation of the Simplifying the Project Process (SPP) Overview Task Force.

EI 94-040, FINAL PS&E SUBMISSION, REPORT ON DESIGN AND ESTIMATE, provides instructions concerning the implementation of this change. Some essential information previously included in the Report on Design and Estimate must now be included in the PS&E package or transmittal memo.

Questions should be addressed to Norman Schips, Main Office Design Quality Assurance Bureau. He may be contacted at (518) 485-8611.
