Effective November 16, 1994, the requirement under item B. 1 of EI 94-15, Final PS&E Submission, to submit a Report on Design and Estimate is rescinded.

The elimination of this requirement is based on the recommendation of the Simplifying the Project Process (SPP) Overview Task Force.

As a result, some information previously submitted in the Report on Design and Estimate should be submitted with the Plans, Specifications and Estimate in accordance with EI 94-15, and the instructions below.

EI 94-15 will be revised in the future to reflect these changes.

The disposition of the material previously submitted in the Report on Design and Estimate is as follows:
