This Engineering Instruction modifies the Guideline Drawings (GLD) Index included with Engineering Bulletin EB 96-032.

Effective immediately, the attached Guideline Drawings (GLD) supersede GLD-S1, S2, S3 and S4.

Minor modifications have been made to these drawings to reflect current practice. GLD-SS1 and GLD-MSS1 now show isotropic deck reinforcement.

Questions concerning this subject should be directed to Graham F. Lord of the Structures Division's Design Section at (518) 457-2032.
