The October 1987 revision to the contract proposal insert, Form FHWA 1273 - REQUIRED CONTRACT PROVISIONS FEDERAL-AID CONSTRUCTION CONTRACTS, changed the contract size criteria for submission of the "Statement of Materials and Labor Used by Contractor of Highway Construction Contract" from \$500,000 to \$1,000,000. The \$1,000,000 criteria applies retroactively to all contracts.

Note that the form number has been changed from PR-47 to FHWA-47 but existing supplies of the old form may still be used.
