Date: 4/10/90

Supersedes:

APPROVED:

K. W. Shiatte, Deputy Chief Engineer for Construction

This Engineering Bulletin Expires \_\_\_\_\_

A recent audit of wage rate interviews performed on construction contract sites turned up instances where wage rate interview forms documenting the interviews could not be located in the project files.

Exhibit 1.02C on Page 3-7 of MURK includes a suggested Wage Rate Interview Form. Please insure that all interviews are documented on a summary tabulation of the type displayed in Exhibit 1.02C or on individual interview forms of the Region's design, and that this information is readily accessible in the project files.

Regional MURK Specialists should check for proper wage rate interview documentation during field reviews of project records.
