O'CONNELL</b><br>Deputy Chief Engineer (Structures) | 4/23/98<br>Date            |

This Bulletin issues the New York State Department of Transportation Bridge Manual. It is effective immediately. The Bridge Manual is available from the Plan Sales Unit of the Main Office (518) 457-2124 at a cost of \$25.

The Standard Details for Highway Bridges Manual is superseded along with the following EI's. These EI's are either no longer needed or are incorporated into the Bridge Manual:

- |                                  |                                  |                                  |
|----------------------------------|----------------------------------|----------------------------------|
| EI 72-105                        | EI 82-015                        | EI 90-004                        |
| EI 75-005 <i>SS by EI-80-021</i> | EI 82-019                        | EI 90-024                        |
| EI 75-036                        | EI 82-073 <i>SS by EI 95-053</i> | EI 90-021                        |
| EI 77-039                        | EI 83-035                        | EI 91-016                        |
