Title: CRASH CUSHIONS DISTRIBUTED BY ROADWAY SAFETY SERVICES, AMERICAN REFLECTIVE PRODUCTS, AND TRANSPO INDUSTRIES			
Distribution: ☐ Manufacturers (18) ☐ Surveyors (33) ☒ Main Office (30) ☒ Consultants (34) ☒ Local Govt. (31) ☒ Contractors (39) ☒ Regions/Agencies (32) ☐ _____ ()		Approved:  Peter J. Bellair, Director, Design Quality Assurance Bureau 7-12-99 Date	

Administrative Information. This Engineering Bulletin will be effective immediately, and supersedes EB 99-030. The purpose of this EB is to transmit the name, address, phone number, fax number and web site of the new distributor for the proprietary items transmitted by E.I. 92-039, E.I. 98-039 and E.I. 98-014.

Transmitted Information. E.I. 92-039 transmitted specifications for item 15619.999801M-Vehicle Arresting Barrier (Net Type), known in the vernacular as a "Dragnet"; and E.I. 98-039 and E.I. 98-014 transmitted specifications for "REACT 350 Crash Terminal", items 15619.420XM, 15654.200XM and 15654.210XM. All of these products are proprietary items, and were originally distributed by Roadway Safety Services, Inc., of Ronkonkoma, N.Y. Subsequently, due to an acquisition and reorganization, the distribution of these safety products was assigned to American Reflective Products of Bedminster, N.J. More recently, the distribution of these products has been re-assigned to another distributor. This new distributor is:

Transpo Industries, Inc.
20 Jones Street
New Rochelle, N. Y. 10801
Tel. (914) 636-1000
Fax. (914) 636-1282
www.transpo-industries.com

The specifications for these safety products will be revised to include Transpo Industries as the distributor.

In addition to the above safety products, Transpo Industries will also distribute the brand of Inertial Barrier Modules known as "Fitch Barrels," in addition to Energite, their original brand of Inertial Barrier Modules. Because Inertial Barrier Modules are accepted on the basis of their inclusion on the Approved List, the Approved List for Inertial Barrier Modules will also be revised to replace "Roadway Safety Services" and "American Reflective Products" with "Transpo Industries, Inc."
