APPROVED:			
 DEPUTY CHIEF ENGINEER (STRUCTURES)			

The "Procedure for Bridge Reconstruction Projects", distributed under EI 74-87, is revised as follows:

- On Page 4, delete the contents of Section XI and substitute the following: "The Project Engineer or the Plan Review Unit Supervisor will forward three copies of the Preliminary Plan for all projects over water to the Bureau of Bridge Planning and Railroads for transmission to the Department of Environmental Conservation."
- On Page 7, A. Plan, to the list add the item "BIN (Bridge Identification Number) to be placed above lower right-hand corner block."
- On Page 9, F. Road Under, to the list add the item "Guide Rail Protection."
- On Page 12, 5. M1, delete the words "...and 1969 American Welding Society, modified."
- On Page 18, shift the upper caption "Span 5 - North End, West Side Portal" to the lower picture and shift the lower caption "Span 2 - East Fascia" to the upper picture.
- On Page 19, Attachment (2), in the ninth box from the top, delete the words "Condition Report" and substitute the words "Bridge Reconstruction Project Report."
- On Page 19, Attachment (2), in the thirteenth box from the top, delete the words "Condition Report" and substitute the words "Bridge Reconstruction Project Report."
- On Page 19, Attachment (2), delete the contents of the seventeenth box from the top and substitute the following: "The Project Engineer or the PRU(S) forwards 3 copies of Prelim. for projects over water to Bridge Planning and Railroads Bureau (Structures) for transmission to Dept. of Environmental

Subject: PROCEDURE FOR BRIDGE RECONSTRUCTION PROJECTS

Conservation DEC.

Make the following changes to the attached Form BD 142 - 1 through 6, "Reconstruction Preliminary Sheet Check and Review List."

On Form BD 142-1, A. Plan, to the list, add the item "BIN (Bridge Identification Number) to be placed above the lower right-hand corner block.

On Form BD 142-3, F. Road Under, to the list add the item "Guide Rail Protection."

On Form BD 142-6, ⁵4. M1, delete the words "...and 1969 American Welding Society, modified."

On Form BD 142-6, 6. After the line, Hydraulic Data, add the words "if hydraulic report is necessary."

Twenty five (25) copies of form BD 142, 1 through 6, entitled "Reconstruction Preliminary Sheet check and Review List" are transmitted to each Regional Office with this instruction. Additional copies may be obtained by submitting Stock Requisition Form AD86.
