As necessary, Designation of Restricted Highway, Form C230, is prepared and issued by the Regional Office over signature of the Regional Director. It is desirable that Notice of Cancellation of Designation of Restricted Highway, Form C231, be likewise prepared and issued by the Regional Directors upon their receipt of notification of acceptance of the contract.

To accommodate this procedural change to become effective March 1, 1978, the Contract Acceptance Letter, Form HC112, has been revised to include a request for issuance of such notice where applicable. Form C231, Notice of Cancellation of Designation of Restricted Highway, also has been revised to indicate a distribution identical to Form C230. See attached copies. An initial supply of 500 Form C231 is being sent to each Regional Office under separate cover. Additional supplies should be requisitioned from the stockroom, as needed.
