Effective immediately, § 1.05e in M.U.R.K. relating to payment of Order on Contract work is modified as follows:

No payments for Order-on-Contract work will be made by the EIC until he has in his possession either a signed approved copy of the Order or a CONR 22c on which the Order number and authorized item quantities have been computer-printed.

This will allow payment for OOC work which has been fully approved and entered into the Contract Accounting System, prior to the general distribution of the approved Order.
