ADMINISTRATIVE INFORMATION:

PURPOSE: To issue replacement pages for EB 06-004.

TECHNICAL INFORMATION: Engineering Bulletin (EB) 06-004, "Highway Design Manual Revision No. 48 – Chapter 16 Maintenance and Protection of Traffic in Highway Work Zones" incorrectly lists Engineering Instruction (EI) 95-003, "Requirements for Maintenance and Protection of Traffic During Nighttime Construction" as superseded by the EB. Only the design guidance is superseded. Construction guidance remains in effect. To correct the error, the EI 99-003 listing on the title page of EB 06-004 has been modified by adding the following: "(design guidance only; construction guidance still in use.)"

IMPLEMENTATION:

Existing copies of the title page and page 2 of 3 of EI 06-004 should be discarded and replaced with the attached pages.

TRANSMITTED MATERIALS: The replacement title page and page 2 of 3 for EB 06-004.
