Section 579 will become effective upon adoption of Addendum No. 1.

With the issuance of Addendum No. 1, the plates which accompanied special specifications 15580.09 and 15580.1301 will cease to exist. The Department will not publish drawings as part of the Standard Specifications.

Accordingly, this office has prepared a standard detail sheet which may be inserted directly into contract plans prepared for structural slab rehabilitation projects.

The sheet is titled: DETAILS FOR STRUCTURAL SLAB OVERLAY REPAIR PREPARATION. Reproducibles may be obtained from this office after March 31, 1982.

It will be necessary to use the insert after Addendum No. 1 has been adopted.
