There has been some confusion regarding the recently distributed EI 83-26, dated May 27, 1983. To remove this:

1. The effective letting date is 10-13-83 but the policy may be used sooner if desired.
2. Paint Items in the 640 series (i.e. regular traffic paint) may be specified in contracts to maintain traffic, unless removability without visible trace is required. Paint may also be specified for parking lot lines.
